<p>Please fill in a member blog sheet (can be found on the BNI Tarporley website) and bring along with you to the meeting - hand over to the Sec Treas or another Leadership Team member at the start of the BNI Breakfast mtg, for reading out immediately before your speaker slot. If the date you've been assigned doesn't fit with your diary, you will need to contact another member close to you on the schedule to swap out your date. This is your own responsibility. Please advise the Leadership Team/Sec Treas once a change has been agreed & the rota will be amended to reflect the swap between those two members. A copy of this rota will be on the BNI Tarporley website for reference. MASTER version is held by Sec Treas.</p>
